Summer 2011 Edition (July 27, 2011)

Welcome to the 2011 summer edition

of the Server and StorageIO Group (StorageIO) [newsletter](#). For those who missed the spring 2011 edition, you can find it and other previous editions [here](#). As with previous editions, this StorageIO news letter contains links to various blog posts, videos, audio, interviews and commentary on IT industry technologies trends and related topics.

The past few months have been busy with various projects, research, consulting, attending as well as presenting at different [events in addition](#) to covering [industry activity](#). Check out recent [blog](#) posts shown below pertaining to various trends, perspectives and technology topics including IT clouds.

Speaking of IT Clouds, click on the image below to learn more about my new book (ISBN 9781439851739) [Cloud and Virtual Data Storage Networking \(CVDSN\)](#) with a theme of enabling your journey to efficient and effective information services delivery to be released in September 2011. You can pre order your copy now at [Amazon.com](#), [CRC Press](#) and other global venues.

Hope you are doing well, look forward to sharing more with you soon as well as catching up at one of the many upcoming live in person or virtual events. Enjoy this edition of the [StorageIO newsletter](#) and I look forward to your continued comments and discussions.

Cheers gs
